

IV Therapy Menu

Personalized Care. Proven Results.

1 Methylcobalamin

Purpose:
Support natural energy, mood, and clarity.

★ Key Benefits:

- Helps reduce fatigue
- Supports metabolism
- Promotes mental focus
- Encourages balanced mood

Ideal For:
Low energy, busy professionals, and anyone needing a clean daily boost.

2 Glutathione (Antioxidant Detox)

Purpose:
Support detoxification and cellular wellness.

★ Key Benefits:

- Powerful antioxidant support
- Helps brighten skin tone
- Supports immune function
- Encourages cellular repair

Ideal For:
Men and women seeking detox, skin clarity, or overall wellness support.

3 Immunity IV (Defense Boost)

Purpose:
Support the body's natural immune response.

★ Key Benefits:

- Vitamin C + minerals for immune strength
- Hydration for recovery
- Helps reduce fatigue during illness
- Supports overall wellness

Ideal For:
Cold/flu season, travel, high-stress periods, or feeling run-down.

4 Tri-Immune Boost

Purpose:
Triple-action immune support.

★ Key Benefits:

- Vitamin C for immune defense
- Zinc for cellular protection
- Glutathione for antioxidant support

Ideal For:
Preventative wellness, seasonal support, and boosting resilience.

5 Quench (Hydration IV)

Purpose:
Restore hydration and electrolyte balance.

★ Key Benefits:

- Rapid hydration
- Electrolyte replenishment
- Helps reduce headaches and fatigue
- Supports overall energy

Ideal For:
Dehydration, heat exposure, travel, or post-workout recovery.

6 DeBloat (Digestive Reset)

Purpose:
Support digestive comfort and reduce bloating.

★ Key Benefits:

- Hydration for digestive balance
- Minerals to support gut function
- Helps ease discomfort and fullness
- Encourages natural detox

Ideal For:
Stomach virus season, digestive upset, bloating, or sluggishness.

7 Healing (Recovery Support)

Purpose:
Support the body's natural healing process.

★ Key Benefits:

- Amino acids for tissue support
- Hydration for recovery
- Helps reduce inflammation
- Encourages cellular repair

Ideal For:
Post-procedure recovery, injury support, or general wellness.

8 Ondansetron (Anti-Nausea Add-On)

Purpose:
Support relief from nausea.

★ Key Benefits:

- Helps ease nausea
- Supports comfort during illness
- Complements hydration therapies

Ideal For:
Stomach virus season, dehydration-related nausea, or post-celebration recovery.

9 Snow Bright (Skin Glow IV)

Purpose:
Support skin brightness and clarity.

★ Key Benefits:

- Antioxidants for skin radiance
- Hydration for a healthy glow
- Supports collagen and clarity
- Helps reduce dullness

Ideal For:
Beauty, anti-aging, and anyone wanting a refreshed complexion.

10 Myers (Classic Wellness IV)

Purpose:
All-around wellness and energy support.

★ Key Benefits:

- B-vitamins for energy
- Vitamin C for immunity
- Minerals for balance
- Hydration for clarity

Ideal For:
General wellness, fatigue, stress, and immune support.

11 Reboot (Hangover Recovery)

Purpose:
Support hydration and recovery after alcohol-related dehydration.

★ Key Benefits:

- Hydration + electrolytes
- Anti-nausea support
- Helps ease headaches and fatigue
- Encourages faster recovery

Ideal For:
Post-celebration mornings, events, or dehydration-related discomfort.

12 B-Lean (Metabolic Support)

Purpose:
Support metabolism and natural energy.

★ Key Benefits:

- B-vitamins for metabolic function
- Amino acids for energy
- Hydration for clarity
- Helps reduce sluggishness

Ideal For:
Men and women focused on wellness, metabolism, and energy support.

13 Timeless (Anti-Aging IV)

Purpose:
Support cellular wellness and longevity.

★ Key Benefits:

- Antioxidants for cellular protection
- Hydration for skin health
- Supports energy and clarity
- Encourages overall vitality

Ideal For:
Anti-aging, beauty, and long-term wellness support.

14 Recovery & Performance (Athlete Blend)

Purpose:
Support muscle recovery and performance.

★ Key Benefits:

- Amino acids for muscle repair
- Electrolytes for hydration
- Helps reduce soreness
- Supports stamina and clarity

Ideal For:
Athletes, gym-goers, and active men needing recovery support.

15 Inner Beauty (Glow & Hydration)

Purpose:
Support skin health, hydration, and radiance.

★ Key Benefits:

- Hydration for skin plumpness
- Antioxidants for clarity
- Supports collagen and brightness
- Helps reduce dullness

Ideal For:
Beauty, anti-aging, and anyone wanting a refreshed, glowing look.
