

Mobile IV Bar:

Ours vs. Other Mobile IV Companies:

InnerU Mobile IV Bar

- ✓ Boutique, personalized experience — every client gets direct communication and attentive care.
- ✓ NY and Central NJ team with consistent medical oversight and compliance.
- ✓ Event-friendly setup designed for parties, wellness events, retreats, and corporate days.
- ✓ Luxury, spa-like aesthetic instead of a clinical feel.
- ✓ Transparent pricing with no hidden fees or upsells.
- ✓ Customizable drips tailored to client goals or event themes.
- ✓ Comfort-focused approach — education, pre-care, and after-care included.
- ✓ Strong community presence with partnerships.
- ✓ Relationship-based service — not a fast-dispatch, one-and-done model.

Other Mobile IV Companies

- ✗ Large national chains with standardized menus and call-center scheduling.
- ✗ Multi-state medical oversight that feels generic and impersonal.
- ✗ Clinic-based or app-based dispatch instead of curated event experiences.
- ✗ Clinical or medical aesthetic — plain bags, minimal ambiance.
- ✗ Higher pricing (\$179–\$399+ per drip, NAD often \$750+).
- ✗ Fixed formulas with little customization.
- ✗ Speed-focused service — quick in-and-out appointments.
- ✗ Limited community involvement — rely mostly on SEO and national marketing.
- ✗ Transactional model — no relationship building or personalized care.
